WHAT'S THIS? CDU, SEX AND WHOSE THE BOSS.

BN Agent, V

Can somebody please get this message to Marvin Dames, The Commissioner of Police and Bahamians everywhere? Under the anonymity of the source we bring a vexing and disgraceful situation to your attention happening inside of CDU.

At first, listen, BN was not quick to write this story until we received additional complaints from others also under anonymity. We can tell you that the reports each gave consistent accounts while each shed light on a different aspect of the problem.

Now listen here, talking fool is a very serious thing and BN has no time for that. Just like Santa who is making ready to make his year end appearance we can tell you we to have scrutinized our list twice even three times and the stories have checked out. Take a seat with your favorite beverage and sip "Da Tea".

BN was floored to hear officers say they are ready to quit the job they thought they would retire from. With crime and lawless individuals trying to run the town we cannot have that. Now, where do we start? There is so much to shed light on that our heads are spinning. Please forgive us if TMI (too much information) comes at you at once. Officers have stated that if you are not a part of the wine, wine and grind me click you will not get considered, mentioned

or recommended for a promotion. Not to mention, your time at work will be a living hell. BN was told of how the Senior man in CDU takes or should we say gives "council" to several of his cop gals. However there are two main ones, we will call them beauty and the thug/butch beast.

BN was told of a recent off island on out-island trip the three made together that included plenty cocktailing and dreaming. Now we can't say if it was 2 men and 1 woman or 2 women and 1 man as we cannot confirm what role the Butch played on that trip. We can say the scandal written females have slept with Tom, Dick, Harry and criminals at one time or another and BN does not have enough fingers or toes that can be borrowed to count the amount of partners and we mean on the job and off these dutty

gals have had. Perhaps King Solomon who had hundreds of wives and sweethearts could help with that number.

We told yall sip "Da Tea" cause this is hot BN was told that Beauty even have a HIGH UP in her diary of affairs while this HIGH WAS NOT AS HIGH UP THEN it's believed that at the dialed of the thumb something could happen. BN wishes to tell that HIGH UP IF YOU MAKE THAT CALL ANYTIME in the next few years we will call your name. Officers believe this is why Cop Beauty friendly can order around the Senior man at CDU as she has been locked up and DONE time with both him and HIGH UP.

When BN suggested that officers go to the Commissioner Officer they complained that as soon as their feet hits HQ a call is made to Senior man or Beauty and upon return to work they are treated

gravely and as a result they came to BN. Officers complained about the way they treat other senior officers in the department who are not apart of their click and we know we would be treated worse so we go along with whatever they say and do because if you don't agree or add something to it then you too will be treated like an outsider.

CDU Senior man balls are in beauty hands and when she tells him jump he jumps and asked how high? If an order comes down from the Commissioner Senior man says he is the boss in CDU and does all he can to change the Commissioner's instructions or he drags his feet in getting it done. Beauty secretly calls Senior "Money" man Commissioner and once she calls him that it's all over...whatever she wants she gets after that. Makes you wonder

who is really the Boss and is in charge of CDU

With these Cops sleeping with each other, and other coworkers, the work environment has become difficult causing officers to fight each other on the job and other officers wishing to stay home or transfer out. BN says to Marvin Dean and the Commissioner deal with this corrupt clique who have no respect for their job or their integrity.

CDU is a place for reinforcement of our security not a place for officers to be engaging in on the job sex acts and favor while acting like the Commissioner of Police and the Minister of National Security.

MAJOR BLAZES A NEW TRAIL SNACKS NOW DELIVERED TO YOUR DOORSTEP

BN Agent, X

Entrepreneur Elvarado Major sets the pace with his expansion in the snack industry. Son of Mr. Major the owner of Xtra Value and other food empires in The Bahamas, the empire of the Major's are growing as Elvarado moves the snack industry on to the path of technology. Elvarado launches the first Snack shop website that allows people to order snacks from the comfort of their home or office and it gets delivered directly to your doorstep with www.snacksforall.com.

Elvarado has grown in the food retailing industry being in operation on his own for over 5+ years on Carmicheal Road making his location a staple for providing snacks to the community. Now he is planning to take that staple and apply it to the entire map of The Bahamas, taking on orders for the entire island or any island through online ordering and have his products delivered directly to his client's place of choice. Major understands the mindset of new age internet surfers and the power of convenience, therefore making the

shift to the internet to please the market of social media was ideal. Gone are the days of pizza being the only food you can order and have delivered to your doorstep. In today's modern world as technology continues to advance, leaders of many industries are adopting the traits of what keeps humans satisfied. If more entrepreneurs would adopt the traits on how to make their business disruptive to the status quo and modern instead of following the patterns of traditional tactics, we would have more innovative trailblazers who can change the state of our tomorrow, in this Bahama land.

The screenshot shows the Snacks 4 All website interface. At the top, there's a navigation bar with 'Log In' and 'My Account | Order | Wallet | Address'. Below that is a search bar and a list of categories: ALL ITEMS | SPECIALS | CHIPS | COOKIES | DRINKS | BISCUITS | PEANUTS | CANDIES & CHOCOLATES | CEREAL | PIES | OTHERS. A banner at the bottom of the screenshot reads: 'New Snack Arrivals Available Now!' with a 'View Collection' button. To the right, there are images of a bag of Doritos (PACHO CHEESE) and a bag of SunChips (WHOLE GRAIN HARVEST REDDAR). A starburst graphic says '12 Chips for only \$5.77'. The word 'SPECIALS' is written in large letters at the bottom of the banner area.

Law of the Child protection act States that single mothers have all custodial rights towards their child.

While the law may be outdated and perhaps need readdressing. Perhaps several reasons originally played a factor in law

as we know it to be and understand. At the time the law was written men were more masculine in their thinking and did not ascribed too lightly to rearing their children.

As a matter of fact many men preferred to work and bring support to the mother to rear the child. In more recent years an

overwhelming amount of men abandoned their responsibilities to assist in the rearing of their children. This absenteeism further strengthen reinforcement of the laws to be skewed favorably towards maternal custody for the child. BN believes there are

good fathers out there who will raise their children well these same men must now lead the charge for their rights to also have custody of their children once they can provide a wholesome safe environment. To see law click here: <http://laws.bahamas.gov.bs/cms/images/LEGISLATION/>

“ BONGIE OF THE DAY IS AWARDED TO DEXTA DAPS FALL ON STAGE

FROM THE FALL TO STRAIGHT INTO THE CROWD!

BN Agent, X

Jump you may, fall sometimes, you must. In what was pure hype has left Dexta needing to ask someone for some Bengay after that wonderful performance over the weekend at Hennesy Artistry.

The man of the hour got on stage with pure excitement keeping the crowd fully engaged from start to finish until he had to play off one of the biggest stage falls in Bahamian history. I mean all we saw was

jump jump jump, splat. Square on his face, but if you think that was stopping Dexta you tell a lie. He then played it off by doing a belly splash into the crowd, which was successful, until those young girls got a hold of him and tried not to let go. We mean the artist was at a tangle with security having to jump on stage and try pull him back from out of the crowd. After a few seconds of all of the girls getting a quick squeeze and a feel on his body, they finally

let him loose, where he returned to stage and kept it moving.

Dexta was hype, but that fall was epic and historic, causing you to be our bongie of the day!

THE FALL WAS REAL BUT THE BOUNCE BACK WAS EVEN REALER

GUIDANCE MIKE ROBBED AT RED LOBSTER

BN Agent, R

This past weekend, a social media influencer took to social media to vent and inform his followers and Facebook friends of his misfortune. The Bahamian influencer who goes by the name of Guidance Mike shared an image of his rented vehicle that showed a shattered side glass. Mike wrote, "...never thought I would've come to America to sit down in a restaurant to come back and meet all of my personal belongings gone." He went on to give his audience an idea of what was stolen, "My passport, jewelry.. Smh all that sh*t gone." Mike was on board his first cruise and due to

this misfortune this is definitely an experience he will not forget in the near future. He reassured his viewers that he is thankful for life. Mike also warned potential victims to, "Stay away from the Red Lobster in Plantation because they got no cameras around their parking lot to assist you in a time of such". In a separate post Mike urged travellers who experience a car break-in/ robbery to post about it so that others can learn from their mistakes.

BN agents have been informed by other Bahamians that Red Lobster in Plantation is famous for this happening to people,

especially rentals and tourist. With that in mind, you may come to think maybe Red Lobster staff maybe in on the gig's and a very well aware of who and how this is being done. Speculations? Maybe not, seeing that this is constantly happening and they have yet to put cameras around their facility. But in any event you have been warned about this particular establishment at the plantation location.

BN urges travellers to be aware of your surroundings and do research on the area that you plan to visit before booking your trip.

NANA BREAD HONEY!

BN Agent, V

If you haven't seen the funny video about Nana Bread look no further. What a funny way to advertise a product that is definitely no joke.

Nana Bread is some good banana bread and yes BN has tried "Nana Bread Honey" and it's worth your time to try it.

The plain was the original flavor offered then later other fruits

were added to the mix to create a spin on the traditional banana bread. Customers can also try other flavors like raisins, coconut, walnuts just to name a few.

BN supports this new product and encourage it's readers to do the same. Nana Bread Honey! 242-818-NANA

INSIDE VIDEO OF THE SHELTER AND IT'S CONDITIONS

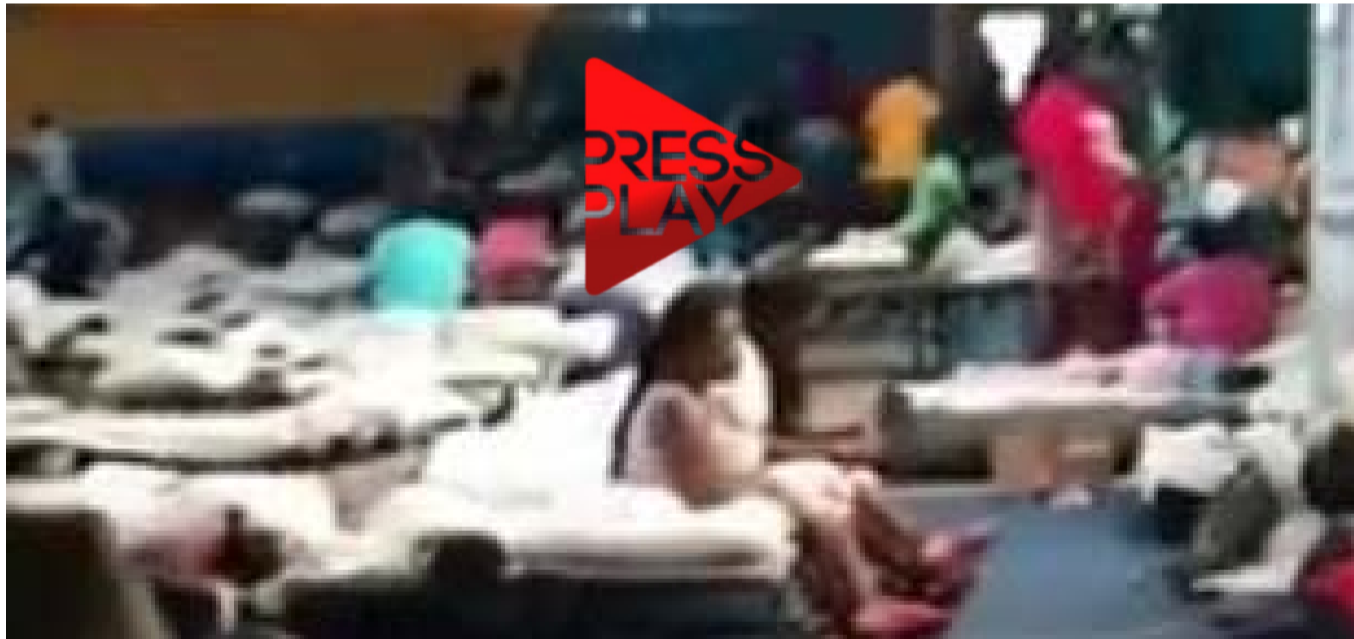

BN Agent, V

A video recorded by a Haitian man asking for international intervention is going viral and is upsetting people from both the Bahamian and Haitian communities. In the video the man is showing the inside of the Kendal Gym where beds are set up in an orderly fashion. Now to hear this

recorder account each other. A far cry without seeing the visual one would have believed that there were indeed some inhumane treatment of those Haitians who currently reside at the gym. However, the video footage shows the complete opposite. Not only does each person has their own bed and linen but persons are seen freely walking around, socializing and interacting with

have made a decision concerning those at the gym.

Perhaps now the Government will do what is needed before another lie video surface and makes its rounds.

PM TO REPAIR 2,000 HOMES AND 500 ROOF REPAIRS ON ABACO AND GRAND BAHAMA

BN Agent, X

Prime Minister Minnis announced housing initiatives to help assist Abaco and Grand Bahama residents displaced by Hurricane Dorian, including the proposed establishment of an independent and non-political Trust to help the most vulnerable residents rebuild. The Government is also partnering with international NGOs to repair 2,000 homes and 500 roof repairs on Abaco and Grand Bahama.
